BE THE BEST

Team Camp (June 27 - July 1, 2003)

The Sanderson family will teach you and your team the very best ways to build your team into a successful unit with team-building concepts, drills and techniques. Three sessions per day. Dual meet tournament every night. Team championship trophy and awards to top three finishers on the last day.

Technique Camp (July 2 - 6, 2003)

Cael, along with his father Steve and brothers, will be at each session to teach you the techniques that made them champions. The Sanderson system of wrestling has proven to be one of the best in the country and is designed for wrestlers of all ages and skill levels.

Intensified 159 Camp (June 27 - July 6, 2003)

The goal of this Intensified Camp is to make you a better wrestler by teaching you how to plan your season, train during the off season, proper weight-lifting techniques, and how to manage a six-minute wrestling match. Supervised by the Sanderson brothers, including Cael, the only four-time undefeated wrestler in NCAA history, our intensified camps are based on the hard work, training and techniques used over the years to bring many victories to the Sanderson family. Be prepared for very intense workouts when you arrive to train with the Sanderson's and other NCAA Champions and All Americans. Space is very limited for this camp, so be sure to get your registration in early.

STAFF

Steve Sanderson

Steve has produced dozens of state, cadet, national junior, and NCAA champions during his years as a coach. Not to mention that he is the father of the only four-time undefeated NCAA wrestler in the history of the sport. Steve's theories and approach to the sport of wrestling are ahead of his time. He is very well spoken and has the unique ability of coaching and speaking about wrestling at every level of the sport. We have set up each of our camps to have Steve speak to the parents and coaches for one session during the week. You will be glad your child had the chance to experience this great man.

Cael Sanderson

The first and only four-time undefeated NCAA National Champion in the history of the sport of college wrestling. The first four-time NCAA MVP, University World Freestyle Champion and the "Greatest College Wrestler of All Time." Cael is a great instructor and a great motivator. He is excellent with kids and coaches and very excited about making you a better wrestler.

Cody Sanderson

1999 and 2000 NCAA Runner up Division One. Six-time National Junior Champion. Administrative Assistant at Iowa State University. Cody is a great instructor and really enjoys teaching young wrestlers. He is very motivated and has a lot to offer every young wrestler.

Cole Sanderson

Four-time NCAA Qualifier, seven-time national freestyle place winner, and Junior World Greco Roman fifth place. Cole is also a great instructor and understands the scramble positions better than anyone. Cole loves to teach and enjoys working with anyone that wants to be a better wrestler.
